Preparation for school- Regular teachers, Bible, and students hither and yon.

If you are hurting right now, you are in the process of *healing*. If you are down, crushed under the burden of a heavy load, get ready! God is about to show Himself strong on your behalf. God does use people to perform His will. Someone is going to be compelled by the Holy Spirit to come into your path of suffering, reach out to you, and help lift your burden. – Have you Felt Like Giving up Lately? David Wilkerson
